

FOR BRANDS & AFFILIATE MANAGERS

Recruit UK partners for your **affiliate programme**

Reach business networkers who already introduce products and services locally. List your commission, cookie window and what partners promote — then take enquiries direct.

Keep Awin, Impact, CJ & similar networks

Listing on The Networker UK does not replace your existing partner platforms. Use us as an extra UK discovery channel — no exclusivity, no per-lead fees. Partners enquire with you; you share tracking or signup links after.

WHY LIST HERE

Built for affiliate recruitment

Alongside your networks

Stay on Awin, Impact or CJ. Add The Networker UK for UK networkers who browse opportunities next to events.

Show commission, cookie window and what partners promote on the listing so the right people enquire.

Your programme appears where organisers and members already look for side income and partnership offers.

Premium Spotlight

Optional one-time £55 boost (up to 30 days) for featured carousel placement — max 12 premium slots.
