HOW IT WORKS

Meet TINA, The Intelligent Networking Assistant

Type who you need. TINA runs the intro.

ON THE NETWORKER

Who do you want to meet? **IT director in Chester**

Search

AJ

Match → private intro request

TINA finds matching members, then asks them to approve before email, phone or LinkedIn is shared.

1

You type a request

Role + place, e.g. “commercial solicitor in Manchester”.

2

TINA shortlists people

She searches member profiles on The Networker for a fit.

3

They approve the intro

Only then are you connected — contacts stay private until both say yes.

USE TINA
