TINA

Meet TINA, The Intelligent Networking Assistant

Tell TINA who you want to meet. She shortlists the right people and can introduce you privately — email, phone and LinkedIn stay private until both sides approve.

Try: “commercial solicitor in Manchester” · “B2B SaaS founder”

01 **Ask for the introduction you need**
Name the role, sector or city — TINA finds people worth meeting.

02 **Warm intros, not cold outreach**
Members approve requests before you connect — real people, real context.

03 **Build your free profile today**
Join now so you’re ready when TINA opens intros for you.
