PROUD TO BE AT THE BUSINESS SHOW LONDON

TINA

Meet TINA, The Intelligent Networking Assistant

Tell TINA who you want to meet. She shortlists the right people and can introduce you privately — contacts stay private until both sides approve.

Try: "commercial solicitor in Manchester"

1. **Ask for the introduction you need**
   Name the role, sector or city — TINA finds people worth meeting.
2. **Warm intros, not cold outreach**
   Members approve requests before you connect.
3. **Scan to join — and keep the show on your profile**
   Free membership for TINA, with The Business Show London on your tickets.
