

# Why organisers choose The Networker Hub

Ticketing built for UK networking groups, not another generic events marketplace.

## Keep 100% of ticket price

Free to list events. Attendees pay 4.5% + 20p booking fee. You receive what you set.

## Built-in UK discovery

Events directory, organiser browse, filters, map view and Premium Spotlight.

## One organiser dashboard

Events, attendees, payouts, opportunities and team in one workspace.

## Stripe Connect payouts

Payments to your account at checkout. Request payouts per event.

## Reviews and ranking badges

Build reputation members see when they browse your group.

## List business opportunities

Franchises and partnerships. Enquiries land in the same dashboard.
